

EAST BAY PLANTATION HOMEOWNERS ASSOCIATION

Directory / Email Authorization

HOA Directory

At the October general meeting, it was requested that we create an HOA Directory to be given out to all the neighbors. The board consulted our lawyers and were advised that we can create a directory with the Homeowners name, house number, and phone number. Emails could be added with homeowners permission. Also homeowners could opt out of including their phone number with a written request.

() I would like to add my email to the EBP HOA Directory.
